Wow! It has been quite a journey, but we have actually come to the end of our studies. Time to rest? You will decide that, of course. But here's something to think about. If you think you might know someone who hasn't heard the fantastic, good news of the gospel, you may be their only opportunity to hear it. Perhaps a family member, friend, neighbor, or co-worker. But there's no high-pressured sales pitch here, because that's between you and the Holy Spirit.

You can know God's specific will for your life. Seek first the kingdom of God and His righteousness... (Matthew 6:33)

Pray without ceasing (1 Thessalonians 5:17).

Study the Word of God (2 Timothy 3:15, 16).

Tell it to someone special (Mark 5:19).

Write about it (Luke 1:3).

Sing about God's grace in Spirit and truth

(John 4:23).

Remember what we covered in Lesson 9 on "Walking in the Spirit?" Take a few moments and revisit some of the key points in Lesson 9. Now, wherever the Holy Spirit leads you, proceed with full assurance of faith. In heaven, you will see why God led you the way He did, and you will agree 100% that His leading was perfect!

Scripture Index

Have you ever come across a Bible verse that you didn't completely understand? Or perhaps you once knew the meaning of a verse, but it has been a while since you had to share its meaning with someone, and you would like to "brush up" on your understanding?

Well, that is why we have assembled a scripture index. It is intended to be a useful companion for jogging your memory regarding the meaning of a particular scripture passage.

How so? Let's say you are reading the Bible and you come across a verse you would like to know more about. Go to the Scripture Index to see if the verse is covered in the course. If so, go to the precise location(s) in the course where the verse is referenced.

Since you will have covered all the verses in the index by the time you complete the course, you will be able to quickly revisit material you have already studied and grasped. If you have not completed the course, you can see where a verse will be covered in a future lesson.

Of course, you can jump ahead to any lesson you have not already studied. But keep in mind that the course content is largely cumulative in nature. Material covered in later lessons is based upon material covered in earlier lessons. You are therefore encouraged to cover all lessons in their order for maximum benefit.

You'll need to know that L=Lesson, and Q=Question. Otherwise, navigating through the Scripture Index should be a snap. Have fun!
